

How to share the magazine:

(for the CAPA Club Representative only)

1. Log into the website <https://capacanada.ca/login/>
2. Click on [members > magazine](#)
3. Click on “share” on the top R.H. side of the page.
4. Click on the “Mail Icon”
5. Edit the message to something appropriate (the current message looks like SPAM)
6. Email your club members.
7. Alternatively, the representative can choose to copy the link and paste it into a personally written email to club members.

Please do not share this outside of CAPA Clubs and members of CAPA clubs.

These instructions are for how a club representative can share the link to Canadian Camera Magazine, for club members to read online.

The reason for not providing access to download the magazine is so that on-line readership can be tracked, which our advertisers require.
