

Carla Hamilton
District Representative, Lower Mainland
January 22, 2021

My interest in photography started in the early 80's when I purchased a Pentax K1000 35mm. It wasn't until 2015 that my interest grew and I purchased a Nikon D7000 and the rest is history. I joined Langley Camera Club in 2015 and CAPA around the same time. I am currently the Outside Competition Coordinator for our club and the Langley Arts Council Representative.
